

University of Pittsburgh
School of Medicine

BIOGRAPHICAL

Name: Alison Enid Hipwell

Business Address: Western Psychiatric Institute & Clinic
3811 O'Hara St, Pittsburgh, PA 15213

Office Address: Sterling Building, Suite 408
201 N Craig St, Pittsburgh, PA 15213

E-mail: hipwellae@upmc.edu

Office Phone: (412) 383 5059
Office Fax: (412) 383 5068

EDUCATION and TRAINING

UNDERGRADUATE:

<i>Dates attended</i>	<i>Name and Location of Institution</i>	<i>Degree Received and Year</i>		<i>Major Subject</i>
1983 – 1986	University of Birmingham, UK.	BSc	1986	Psychology

GRADUATE:

<i>Dates attended</i>	<i>Name and Location of Institution</i>	<i>Degree Received and Year</i>		<i>Major Subject</i>
1988 – 1991	Institute of Psychiatry, University of London, U.K.	PhD	1992	Developmental Psychology
1997 – 2000	University of East Anglia, Norwich, U.K.	ClinPsyD	2000	Clinical Psychology

APPOINTMENTS and POSITIONS

ACADEMIC:

<i>Years inclusive</i>	<i>Name and Location of Institution or Organization</i>	<i>Rank/Title or Position</i>
1987 – 1990	Department of Psychiatry, Institute of Psychiatry, University of London, U.K.	Research Assistant/ Doctoral Student
1991 – 1996	Winnicott Research Unit, Department of Psychiatry Cambridge University, U.K.	Research Associate

1996 – 1997	Winnicott Research Unit, Department of Psychiatry Cambridge University, U.K.	Senior Research Associate
1994 – 1998	Clare Hall, Cambridge University, U.K.	Research Fellow
2000 – 2001	Doctoral Programme in Clinical Psychology, Department of Health Policy & Practice, School of Medicine, University of East Anglia, Norwich, U.K.	Clinical Lecturer
2001 – 2009	Department of Psychiatry, Western Psychiatric Institute & Clinic (WPIC), University of Pittsburgh	Assistant Professor of Psychiatry
2003 - 2010	Department of Psychology, University of Pittsburgh	Assistant Professor of Psychology (Secondary Appointment)
2003 – 2010	Developmental Processes Course, Child and Adolescent Psychiatry Fellowship Program, recognized by the Accreditation Council for Graduate Medical Education, WPIC, University of Pittsburgh Medical Center	Co-Director (with Ron Dahl, MD)
2009 – present	Western Psychiatric Institute & Clinic, Psychology Internship program	Affiliated Faculty
2009 – present	Magee Women’s Research Institute	Member
2009 – present	Department of Psychiatry, Western Psychiatric Institute & Clinic (WPIC), University of Pittsburgh	Associate Professor of Psychiatry
2010 - present	Department of Psychology, University of Pittsburgh	Associate Professor of Psychology (Secondary Appointment)
2011-2015	Academic Promotion and Tenure Committee, Department of Psychiatry, University of Pittsburgh	Member
2012	University of Pittsburgh	Graduate Faculty

NON-ACADEMIC / CLINICAL:

<i>Years inclusive</i>	<i>Name and Location of Institution or Organization</i>	<i>Rank/Title or Position</i>
1986 – 1987	Children’s Inpatient Unit, Maudsley & Bethlem	Psychiatric Nursing Assistant

Royal Hospitals, London, U.K.

2000 – 2001 Adult Mental Health Service, Hinchingbrooke NHS Trust,
Huntingdon, U.K. Clinical Psychologist

CERTIFICATION and LICENSURE

<i>Certifying Board</i>	<i>Year</i>
British Psychological Society	2000

MEMBERSHIPS in PROFESSIONAL and SCIENTIFIC SOCIETIES

<i>Organization</i>	<i>Year</i>
American Psychological Association	2003 - present
American Society Criminology (ASC)	2002 - 2006
• Section Chair, ASC Program Committee, 'Gender & Juvenile Justice'	2007 - 2008
British Association of Behavioural & Cognitive Psychotherapy	2000 - 2006
British Psychological Society	1986 - 2003
Division of Clinical Psychology (DCP), British Psychological Society	1997 - 2003
• Nationally elected Publicity Officer, DCP Affiliates Group	1998 - 1999
International Society of Research in Child and Adolescent Psychopathology	2006 - present
International Society of Infant Studies	2012 - present
Marcé International Society for Psychiatric Disorders in Childbearing	1987 - present
• Elected Executive Committee Member (2010-2012)	
Society for Prevention Research	2008 - 2010
• Member, SPR Program Committee, 'Etiology Theme'	2010
Society for Research in Child Development	2003 - present

HONORS

<i>Title of Award</i>	<i>Year</i>
Competitive Sponsorship, Haymarket Trust, London, U.K.	1984, 1985 & 1986
BSc degree awarded with Honors, University of Birmingham	1986
Research Fellowship, Clare Hall, Cambridge University, U.K.	1994-1998
Honorary Masters Degree awarded by Cambridge University, UK	1998
Life Member, Clare Hall, University of Cambridge, U.K.	1998 - present
ClinPsyD dissertation "Cognitive Vulnerability to Postnatal Depressive Symptomatology" awarded with 'Distinction', University of East Anglia	2000

PROFESSIONAL ACTIVITIES

TEACHING:

Undergraduate Students

(i) Course Teaching

Name: *Attachment Theory*
 Description: Small group format teaching via formal lectures and group discussion
 Year(s): 1991-1997
 Number of times: 8
 To whom: Undergraduate Psychology students (BA Cantab)
 Number of students: 6
 Where: Department of Social and Political Science, University of Cambridge, U.K.

Name: *Object Relations Theory*
 Description: Small group format teaching via formal lectures and group discussion
 Year(s): 1991-1997
 Number of times: 15
 To whom: Undergraduate Psychology students (BA Cantab)
 Number of students: 17
 Where: Department of Social and Political Science, University of Cambridge, U.K.

Name: *Social Learning Theory*
 Description: Small group format teaching via formal lectures and group discussion
 Year(s): 1991-1997
 Number of times: 10
 To whom: Undergraduate Psychology students (BA Cantab)
 Number of students: 8
 Where: Department of Experimental Psychology, University of Cambridge, U.K.

(ii) Workshops and seminars

Name: *Diversity Training*
Description: Small group facilitator leading discussion of gender issues in clinical settings
Year(s): 2005 & 2008
Number of times: 2
To whom: Undergraduate Pre-Medical students
Number of students: 12
Where: School of Medicine, University of Pittsburgh, PA

(iii) Research Supervision

Description: Supervision of a research placement with the School Team of the Pittsburgh Girls Study involving data entry and checking, pilot testing laptop interviews, booklet preparation, contacting teachers to complete data errors, and distribution and recording of incentives.
Year(s): 2003
To whom: Catherine Cheely, BA
Where: Section of Life History Studies, Department of Psychiatry, University of Pittsburgh

Description: Mentorship and training to reliability of graduate students on the administration and scoring of the Bayley Scales of Infant and Toddler Development-III via group workshop and ongoing monthly review.
Year(s): 2004 - present
To whom: Amanda Hinze, Dara Babinski, Michal Rischall, Angie Henneberger, Susan Klostermann, Brenna Sapotichne, Jan Ciccozzi, Jenna Bortner, Swathi Hemachandra, Amy Hoffmann, Amanda Allen, Laura Rottingen.
Where: Section of Life History Studies, Department of Psychiatry, University of Pittsburgh

Description: Bi-weekly supervision of Department of Psychology, Research students for 1-2 semesters each.
Year(s): 2005 – present.
To whom: Megan Lawther, Jessica Briski, Brandon Gillie, Allison Baessler, Alison Frasier, Aerinne Owens, Rebecca Gardner, Julia Chassler, Emily Reybitz, Bethany Preston, Danielle Stein, Megan Yudin, Jess Edelstein, Jackie Goodman, Amy Mozzocchi, Alison Ryan, Danielle Aaronson, Brittany Hautz, Sara Mathieu, Janessa Nowlen, Christine Marchioli, Melissa Swafford, Raeanne Sylvester, Rima Moitra, Lacey Bennett, Danielle De Palma, Christell Boyd-Abner, Dominique Benzio, Natalie Merrick, Laura Spring, Chaunda Wilson.
Where: Section of Life History Studies, Department of Psychiatry, University of Pittsburgh

Description: Supervision of an Honors Undergraduate research thesis: *'Reciprocal Effects Between Parental Harsh Punishment and Low Warmth, and Adolescent Depression and Risky Sexual Behavior'*. Successfully defended in June 2010.
Year(s): 2009-2010
To whom: Bethany Preston
Where: Department of Psychology, University of Pittsburgh

Description	Supervision of a poster presentation: ' <i>Mental health predictors of activity change in adolescent girls</i> ' for the Psychology Department's annual poster session.
Year(s)	2011
To whom	Rima Moitra
Where	Department of Psychology, University of Pittsburgh
Description	Supervision of a poster presentation: ' <i>Teen mother psychopathology and its association with infant behavior in the still-face paradigm</i> ' for the Psychology Department's annual poster session.
Year(s)	2011
To whom	Lacee Bennett & Raeanne Sylvester
Where	Department of Psychology, University of Pittsburgh
Description	Supervision of a poster presentation: ' <i>Are demographics and psychopathology related to activity level?</i> ' for the Psychology Department's annual poster session.
Year(s)	2012
To whom	Dominique Benzio
Where	Department of Psychology, University of Pittsburgh
Description	Supervision of manuscript for publication: 'Effects of displacement from closing high-rises on BMI and mental health symptoms'
Year (s)	2012
To whom	Angela Barney, MS-2
Where	School of Medicine, University of Pittsburgh

Graduate Students

(i) Workshops and seminars

Name:	<i>Journal Club</i>
Description	Organizer and facilitator of monthly journal club discussing women's' and girls' mental health and development
Year(s)	2002-2004 and 2006-2008
Number of times	22
To whom	Research Associates and PGS research staff
Number of students	8-15
Where	Section of Life History Studies, Department of Psychiatry, University of Pittsburgh

(ii) Research Supervision

Description	Supervision of a poster presentation: <i>'The effects of race on the development of female behavior problems in the context of parental substance use and psychopathology: Implications for prevention'</i> for the meeting of the Society for Prevention Research, Quebec, Canada.
Year(s)	2004
To whom	Susan Gillo, BA
Where	Department of School Psychology, Duquesne University
Description	Supervision of 2 poster presentations: <i>'Exploring the relationship between anxiety and aggression in girls'</i> for the National Association of School Psychology, New York, NY, and <i>'Understanding the relationship between aggression and anxiety in girls'</i> for the meeting of the American Psychological Association, San Francisco, CA.
Year(s)	2007
To whom	Cindy Page (Altman), BA
Where	Department of School Psychology, Duquesne University
Description	Supervision of a series of oral presentations by graduate students on the Stress Reactivity in Girls with Somatic Complaints, Learning About Girls' Emotions (PGS-E) and the Adjusting to Young Motherhood (PGS-PP) studies to research staff on the Pittsburgh Girls Study
Year(s)	2004-2007
To whom	Amy Grotenthaler, BA, Amanda Hinze, BA, Michal Rischall, BA, Angie Henneberger, BA.
Where	Section of Life History Studies, Department of Psychiatry, University of Pittsburgh
Description	Supervision of a poster presentation: <i>'The effects of young motherhood on conduct problems and substance use'</i> for the meeting of the Society for Research in Adolescence, Philadelphia, PA.
Year(s)	2010
To whom	Brenna Sapotichne, BS, & Susan Klostermann, BA.
Where	Department of Psychiatry, University of Pittsburgh
Description	Supervision of a poster presentation: <i>'Examining the Overlap between Borderline Personality Disorder symptoms and Postpartum Depression in Adolescent Mothers'</i> for the meeting of the Marcé International Society for Psychiatric Disorders in Childbearing, Pittsburgh, PA.
Year(s)	2010
To whom	Jenna Bortner, BA.
Where	Department of Psychiatry, University of Pittsburgh
Description	Supervision of paper presentation: <i>'Conduct problems as predictors or somatisation in girls'</i> for the Dean's Summer Research Program
Year (s)	2011
To whom	Allison Walton, MS-1
Where	School of Medicine, University of Pittsburgh

Description	Supervision of manuscript for publication: 'Does physical activity moderate the effects of exposure to violence in the development of depression or anxiety?'
Year (s)	2012
To whom	Erica Friedman, MSW/MPH
Where	Graduate School of Public Health, University of Pittsburgh

Doctoral Students

(i) Course Teaching

Name:	<i>Psychometric Test Theory</i>
Description	2½ hour formal lecture.
Year(s)	2000-2001
Number of times	2
To whom	1 st , and 2 nd year Clinical Psychology Doctoral students (ClinPsyD)
Number of students	47
Where	Department of Medicine, Division of Clinical Psychology, University of East Anglia, U.K.

Name:	<i>Multivariate Statistics</i>
Description	2½ hour formal lecture.
Year(s)	2000-2001
Number of times	6
To whom	1 st , 2 nd and 3 rd year Clinical Psychology Doctoral students (ClinPsyD)
Number of students	62
Where	Department of Medicine, Division of Clinical Psychology, University of East Anglia, U.K.

Name:	<i>Questionnaire Design</i>
Description	2½ hour formal lecture.
Year(s)	2000-2001
Number of times	4
To whom	1 st , and 2 nd year Clinical Psychology Doctoral students (ClinPsyD)
Number of students	47
Where	Department of Medicine, Division of Clinical Psychology, University of East Anglia, U.K.

Name:	<i>Critical Appraisal</i>
Description	2½ hour formal lecture and group discussion
Year(s)	2000-2001
Number of times	9
To whom	1 st , 2 nd and 3 rd year Clinical Psychology Doctoral students (ClinPsyD)
Number of students	62
Where	Department of Medicine, Division of Clinical Psychology, University of East Anglia, U.K.

Name:	<i>Development of Early Onset Disruptive/Antisocial Behavior among Girls</i>
-------	--

Description Lecture as part of Research Emphasis Seminars in Adolescent Health and Development (NUR 3041)
 Year(s) 2003
 Number of times 1
 To whom Nursing doctoral students
 Number of students 6
 Where School of Nursing, University of Pittsburgh.

Name: *Adolescent Psychosexual Development*
 Description Lecture as part of Epidemiology of Child Psychiatric Disorders course (2340)
 Year(s) 2006 & 2009
 Number of times 2
 To whom Clinical psychology doctoral students
 Number of students 8
 Where Department of Psychiatry and Graduate School of Public Health, University of Pittsburgh.

(ii) Workshops and seminars

Name: *Research Methods*
 Description Weekly Drop-in Consultancy Sessions on research design and statistics
 Year(s) 2000-2001
 Number of times 30
 To whom 1st, 2nd and 3rd year Clinical Psychology Doctoral students (ClinPsyD)
 Number of students 50
 Where Division of Clinical Psychology, School of Medicine, University of East Anglia, U.K.

(iii) Research Supervision

Description Academic and clinical tutor evaluating essays, case reports, small scale research studies
 Year(s) 2000-2001
 To whom 37 1st and 2nd year Clinical Psychology Doctoral students (ClinPsyD)
 Where Division of Clinical Psychology, School of Medicine, University of East Anglia, U.K

Description Supervision of a ClinPsyD research thesis: *'Interaction between children who have autism and their parents: Is there a difference in style following an early intervention psychoeducational programme?'*
 Year(s) 2000-2001
 To whom Jamie Macniven
 Where Division of Clinical Psychology, School of Medicine, University of East Anglia, U.K

Description Supervision of a ClinPsyD research thesis: *'The relationship between experience of being parented in childhood, self-reflection and ability as a foster carer'*

Year(s)	2000-2001
To whom	Zoe Tyrrell
Where	Division of Clinical Psychology, School of Medicine, University of East Anglia, U.K
Description	Supervision of a ClinPsyD research thesis: <i>'Social support and emotional response to cancer: an attachment perspective'</i>
Year(s)	2000-2001
To whom	Linda Yool
Where	Division of Clinical Psychology, School of Medicine, University of East Anglia, U.K
Description	Supervision of a ClinPsyD research thesis: <i>'Maternal attributions: are these associated with appraisal of maternal parenting received or knowledge of child development?'</i>
Year(s)	2000-2001
To whom	Sarah Major
Where	Division of Clinical Psychology, School of Medicine, University of East Anglia, U.K
Description	Co-Supervision (with Dr Tammy Hughes) of a PhD research thesis: <i>'Social Competence difficulties, loneliness and victimization as predictors of eating disturbance in young girls: A longitudinal investigation'</i>
Year(s)	2002-2006. Defended Successfully, July 2006.
To whom	Marissa DeLeel, MA
Where	Department of School Psychology, Duquesne University
Description	Co-Supervision (with Professors Hans Koot and Rolf Loeber) of a PhD research thesis: <i>'Neighborhood effects on girls' development'</i>
Year(s)	2005 – 2009. Defended Successfully, December 2009.
To whom	Leoniek Kroneman, MA, PhD (Fulbright Scholar)
Where	Department of Psychology and Pedagogy, Vrije Universiteit, Amsterdam, The Netherlands
Description	Co-Supervision (with Dr Tammy Hughes) of PhD research thesis: <i>'A Longitudinal Examination of Racial Differences in Anxiety Disorder Symptom Trajectories'</i>
Year(s)	2009. Defended Successfully, August 2009.
To whom	Cindy Page (Altman), MEd, PhD
Where	Department of School Psychology, Duquesne University
Description	Promoter and Co-Supervision (with Professors Robert Vermeiren, Rolf Loeber, and Theo Doreleijers) of a PhD research thesis: <i>'Intergenerational continuity of conduct problems in girls'</i>
Year(s)	2009 - present
To whom	Elsa van der Molen, MA
Where	Department of Child and Adolescent Psychiatry, Curium-Leiden University Medical Centre, Leiden, The Netherlands

Description Supervision of a poster presentation: *'Examining academic failure, depression and substance use as predictors of risky sex'* for the annual meeting of the American Psychological Association meeting.

Year(s) 2011

To whom Vanessa Durand, MA

Where Department of School Psychology, Duquesne University

Description Supervision of a applied statistics research placement.

Year(s) 2011-2012

To whom Shuangyan Xiong, MA

Where Department of Statistics, University of Pittsburgh

(iv) Dissertation Defence Committees

Role Internal Examiner of ClinPsyD dissertations

Candidates 8 ClinPsyD candidates

Year 2001

Where Division of Clinical Psychology, School of Medicine, University of East Anglia, Norwich, UK

Role Member, Dissertation Defence Committee

Candidate Marissa DeLeel

Dissertation title: *Social Competence difficulties, loneliness and victimization as predictors of eating disturbance in young girls: A longitudinal investigation*

Year 2006

Where Duquesne University

Role Member, Dissertation Defence Committee

Candidate Cindy Page (Altman)

Dissertation title: *A Longitudinal Examination of Racial Differences in Anxiety Disorder Symptom Trajectories*

Year 2009

Where Duquesne University

Post-doctoral students

(i) Mentoring

Description Mentor and research supervisor

Year(s) 2006-2007

To whom Tammy Bean, PhD, Developmental Psychologist (T32 program, Director: David Brent)

Where Section of Life History Studies, Department of Psychiatry, University of Pittsburgh

Outcome Completing clinical accreditation with the goal of obtaining a clinical research position in Forensic Psychology, Boston MA.

Description	Mentor and research supervisor
Year(s)	2007-2008
To whom	Xin Feng, PhD, Developmental Psychologist
Where	Section of Life History Studies, Department of Psychiatry, University of Pittsburgh
Outcome	Assistant Professor, Department of Human Development and Family Science, Ohio State University, OH

Clinical Psychology Interns

(i) Lectures and seminars series

Name:	<i>Girls' Conduct Problems: Validity, Heterogeneity and Contextual Factors</i>
Description	Lecture as part of the Clinical Research Training for Psychologists (Directed by Jill Cyranowski & Melissa Kalarchian)
Year(s)	2009
Number of times	1
To whom	Clinical Psychology Interns
Number of students	6
Where	Western Psychiatric Institute & Clinic, School of Medicine, University of Pittsburgh

Psychiatry Residents

(i) Course Teaching

Name:	<i>Developmental Processes</i>
Role:	Co-Director & Lecturer
Description	Weekly lectures including: 'Perinatal/Postnatal development', 'Attachment', 'Infant cognitive development', 'Prosocial development', 'Development of aggression', 'Moral development', 'Development of Humor', 'Development of lying and deception', 'Early childhood cognition', 'Peer relationships in childhood', 'Peer relationships in adolescence', 'Cognitive aspects of adolescence', 'Sexuality', 'Media influences'.
Year(s)	2002 - present (bi-annual)
Number of times	4 years
To whom	4 th and 5 th year Child Psychiatry Residents and Visiting Fellows
Number of students	12-15
Where	Western Psychiatric Institute & Clinic, School of Medicine, University of Pittsburgh

Name:	<i>Developmental Processes</i>
Role:	Co-Director & Lecturer
Description	Weekly lectures including: 'Perinatal/Postnatal development', 'Infant cognitive development', 'Development of aggression', 'Development of lying and deception', 'Early childhood cognition', 'Peer relationships in childhood'.
Year(s)	2012 - present
Number of times	Annually
To whom	4 th year Child Psychiatry Residents

Number of students 8
Where Western Psychiatric Institute & Clinic, School of Medicine, University of Pittsburgh

Psychiatry Residents, Faculty and Health Professionals and Members of other Academic Departments

(i) Lectures and seminars series

Description *'New insights into girls' conduct problems: Contextual and familial risks and implications for the next generation'*: an invited lecture given as part of the Department of Psychiatry's 2006-2007 Young Investigator (Continuing Education) Series, University of Pittsburgh Medical Center.
To whom 50-60 faculty, residents and health professionals
Year 2007
Where Western Psychiatric Institute and Clinic, University of Pittsburgh

Description *'Advances in Developmental Psychopathology in Girls'*: a series of lectures designed to showcase novel research with applications to prevention and treatment, and service delivery promoting the mental health and well-being of girls and young women. Contributors included Emily Durbin (Northwestern University), Leslie Leve (Oregon Social Learning Center), Stephanie Stepp (University of Pittsburgh)
Role Co-organizer with administrative staff at WPIC
Attendees 30-50 psychiatry residents, faculty and health professionals from the departments of Psychiatry, Psychology and Adolescent Medicine, University of Pittsburgh
Year 2008
Where Western Psychiatric Institute and Clinic, University of Pittsburgh

Research staff

(i) Lectures, workshops and seminars

Description Group training to reliability of the administration of the Wide Range Achievement Test (WRAT) and Wechsler Intelligence Scale for Children (WISC), and individual follow-up evaluations
Year(s) 2002 - 2009
Number of times 5
To whom Pittsburgh Girls Study (PGS) field interviewers
Number of students 35
Where Section of Life History Studies, Department of Psychiatry, University of Pittsburgh

RESEARCH:

1. Grant Number (Funded)	Grant Title	Role in Project & Percentage of Effort	Years Inclusive	Source \$ Amount (direct/year)
<u>Current Grant Support:</u>				
i) MH56630	<i>The Development of Conduct Disorder and Depression in Girls</i> (PI: Loeber, R01)	Co-Investigator 10% - 2008-2009 25% - 2009-2011 50% - 2011-2013	2008-2013	\$1,085,276
ii) MH081071	<i>Natural History & Health Implications of High Risk Weight patterns in Girls</i> (PI: McTigue, R01)	Co-Investigator 5% - 2009-2011 10% - 2011-2014	2009-2014	\$26,374 (subaward)
iii) HD058269	<i>Impact of Omega-3 Intake during pregnancy on maternal stress and infant outcome</i> (PI: Keenan, R21)	Site PI 10%	2009-2012	\$62,168 (subcontract)
iv) DA030385	<i>Substance Use Disparities among Sexual Minority Girls: A Longitudinal Study</i> (PI: Marshal)	Co-Investigator 15%	2013-2016	\$150,000
v) HD067185	<i>Parsing the Heterogeneity of Neural Functioning in Postpartum Depression: Implications for Maternal Caregiving</i> (MPIs: Hipwell/Moses-Kolko)	Co-Principal Investigator 25%	2011-2016	\$333,645
vi) DA12237	<i>Development of Substance Use in Girls</i> (competitive renewal, PI: Chung)	Co-Investigator 15%	2011-2016	\$265,136
vii) MH093605	<i>Changes in Brain Function during Adolescence and Risk for Depression in Girls</i> (PI: Keenan)	Co-Investigator 5%	2011-2016	\$496,454
viii) HD067471	<i>Relationship between Adolescent Weight, Sexual Behavior and Reproductive Outcomes</i> (PI: Akers)	Co-Investigator 5%	2011-2013	\$5,718 (subaward)
ix) State Grant	<i>Reducing the Cognitive Consequences of Cannabis Use by Adolescents</i> (PI: Lewis)	Co-Investigator	2012-2014	

Grant applications under review:

i) R01	<i>Identifying Mediated Pathways of Risk for Substance Use Among Sexual Minority Girls</i> (PI: Marshal)	Co-Investigator 15%	2013-2018
ii) R01	<i>Developmental Origins of Health Disparities among Sexual Minority Women</i> (PI: Keenan)	Site PI 15%	2013-2018
iii) R01	<i>Neural substrates of Depression in African American & European American Women</i> (PI: Keenan)	Site PI 15%	2013-2018
iv) NIJ	<i>From girls to women: Understanding the 'hidden' victims of intimate partner victimization</i> (MPIs: Hipwell/Stepp)	Co-Principal Investigator 15%	2013-2015
v) OJJDP	<i>Developing self-regulation, delinquency and juvenile justice involvement in girls</i> (MPIs: Hipwell/Stepp)	Co-Principal Investigator 20%	2013-2016
vi) R01 HD079419	<i>Role of Romantic Relationships in the sexual behavior of obese and non-obese girls</i> (PI: Akers)	Co-Investigator 10%	2013-2016
vii) R01 MH103724	<i>Threat response and attachment mechanisms in postpartum affective syndromes</i> (MPIs: Moses-Kolko/Hipwell)	Co-Principal Investigator 15%	2013-2018
viii) R01 DK101486	<i>Neurologic Function and Severe Obesity in Young Women</i> (PI: McTigue)	Co-Investigator 15%	2013-2018
ix) R01	<i>Genetics of prevalent psychopathology in youth: Testing novel strategies</i> (PI: Lahey)	Co-Investigator 7%	2013-2018
x) R34	<i>Pilot study of the SNAP Girls Connection treatment mode</i> (PI: Burke)	Co-Investigator 15%	2013-2015

Prior Grant Support:

i) Anglia & Oxford Regional Health Authority, UK	<i>"The process of child development in the context of postnatal depression – a sibling study"</i>	Principal Investigator	1994-1996	£25,000 (≈\$38,000)
ii) Seed money from MH30915 (PI: Kupfer)	<i>"Stress Reactivity among Girls with Somatic Complaints"</i>	Principal Investigator	2004-2005	\$15,172
iii) R01 MH56630	<i>"The Development of Conduct Disorder in Girls"</i> (PI: Loeber)	Co-Investigator	2003-2008	\$899,500
iv) K08 DK067192	<i>"Environmental Influences on Weight Development"</i> (PI: McTigue)	Consultant	2004-2007	\$117,250
v) DA12237	<i>"Development of Substance Use in Girls"</i> (PI: Loeber)	Co-Investigator	2006-2009	\$218,046
vi) Falk Fund	<i>"Pittsburgh Girls Study"</i> (bridge funding) (PIs: Hipwell/Loeber)	Co-Principal Investigator	2008-2009	\$74,868
vii) FISA	<i>"Pittsburgh Girls Study"</i> (bridge funding) (PIs: Hipwell/Loeber)	Co-Principal Investigator	2008-2009	\$59,896
viii) MH66167	<i>"Preadolescent Precursors to Depression in Girls"</i> (PI: Keenan, R01)	Site PI	2003-2010	\$285,713 (subcontract)
ix) DA12237	<i>Development of Substance Use in Girls</i> (PI: Loeber, R01)	Co-Investigator 10%	2005-2011	\$238,754
x) MH071790	<i>Postpartum Psychopathology in Teenage Mothers (K01)</i>	Principal Investigator 75%	2005-2011	\$143,179

Included as a major user for NIH instrumentation grant submitted October 2013: 'Siemens 3-T PRISMA MRI System for the Neuroscience Imaging Center in Pittsburgh' (11484245PI: J. Fiez).

2. Recent Presentations at National Meetings (2002 – present)

1. **Hipwell, A.E.** & Loeber, R. (Sept. 2002). 'What works, when and how, for antisocial girls?' Poster presentation at the meeting of the Society for Life History Research in Psychopathology, New York, N.Y.
2. **Hipwell, A.E.** Loeber, R., Stouthamer-Loeber, M., Keenan, K., Raskin-White, H. & Kroneman, L. (Nov. 2002). 'Neighborhood Factors, Crime Exposure and Early Onset Disruptive/Antisocial Behavior in Girls.' Paper presentation at the meeting of the American Society of Criminology (ASC), Chicago, IL
3. **Hipwell, A.E.**, Keenan, K., Stouthamer-Loeber, M. & Loeber, R. (April 2003). 'Comorbid Conditions in Preadolescent Antisocial Girls'. Paper presentation at the meeting of the Society for Research in Child Development (SRCD), Tampa, FL.

4. **Hipwell, A. E.**, White, H. R., Stouthamer-Loeber, M., Keenan, K., & Loeber, R. (June 2003). *'Early Cognitive, Emotional and Behavioral Precursors to Substance Use in Young Girls'*. Paper presentation at the meeting of the College on Problems of Drug Dependence (CPDD), Bal Harbor, FL.
5. Keenan, K. & **Hipwell, A.E.** (June 2003). *Preadolescent clues to depression in girls*. Paper presentation at the meeting of the International Society for Research in Child and Adolescent Psychopathology (ISRCAP), Sydney, Australia.
6. **Hipwell A. E.**, Keenan K., Stouthamer-Loeber, M., Loeber, R., and Grace D. (June 2003). *Can we identify young girls at risk for depression?* Paper presentation at the meeting of ISRCAP, Sydney, Australia.
7. Keenan, K., **Hipwell, A.E.**, Duax, J., Stouthamer-Loeber, M. & Loeber, R. (March, 2004). *Phenomenology of depression in young girls*, Paper presentation at the meeting of the 2nd World Congress on Women's Mental Health, Washington, DC.
8. **Hipwell, A.E.**, Keenan, K., Stouthamer-Loeber, M. & Loeber, R. (May 2004). *Neighborhood factors and the emergence of problem behaviors among young girls*. Paper presentation at the meeting of the Society for Life History Research in Psychopathology, Charleston, SC.
9. Gillo, S., **Hipwell, A.E.**, White, H.R., Loeber, R. Stouthamer-Loeber, M. & Keenan, K. (May 2004). *The effects of race on the development of female behavior problems in the context of parental substance use and psychopathology: Implications for prevention*. Poster presentation at the meeting of the Society for Prevention Research, Quebec, Canada.
10. **Hipwell, A.E.**, Pardini, D., Loeber, R., Stouthamer-Loeber, M., Keenan, K. (April 2005). *Callous-Unemotional Traits in a Population Sample of Young Girls*. Paper presentation at the meeting of SRCD, Atlanta, GA.

Symposium presented at the meeting of the International Society of Research on Child and Adolescent Psychopathology, Chicago, IL.

55. Durand, V. & **Hipwell, A.E.** (Aug, 2011). *Examining academic failure, depression and substance use as predictors of risky sex*. Poster presented at the meeting of the American Psychological Association, Washington, DC.
56. Scott, L., Stepp, S. & **Hipwell, A.** (Sept, 2011). *Developmental Changes in Adolescent Girls' Attachment Security, Social Functioning, and Psychopathology Symptoms in a High-Risk Community Sample*. Poster presented at the society for Research on Psychopathology. Boston, MA.
57. Olino, T., Stepp, S., **Hipwell, A.E.** & Loeber, R. (Mar, 2012). *Longitudinal relations between depression and conduct problems in girls: An examination using parallel process latent class growth analysis*. Poster presented at the Developmental Methodology themed meeting of the Society for Research on Child Development. Tampa, FL.
58. Henneberger, A.K, Keenan, K., Tolan, P.H., **Hipwell, A.** (Mar 2012). *Delinquency in Adolescent Girls: Testing a Confluence Approach*. Paper presented to the Society for Research on Adolescence, Vancouver, BC.
59. Rottingen, L.A., Allen, A.A. & **Hipwell, A.E.** (May, 2012). *Does Childhood Anxiety Predict Postpartum Anxiety in Adolescent Mothers?* Poster presented at the Association for Psychological Science Annual Convention, Chicago, IL.
60. **Hipwell, A.E.**, Stepp, S., Hoffmann, A., Allen, A. & Keenan, K. (June, 2012). *Conduct problems and depression as developmental predictors of postpartum adjustment and parenting in adolescents*. Paper presented at the International Conference on Infant Studies, Minneapolis, MN.
61. Durand, V. A., Brown, S., Pask, E., Hughes, T., & **Hipwell, A.** (August, 2012) *Risky substance use and sex as predictors of adolescent dating violence*. Poster presented at the annual meeting of the American Psychological Association, Orlando, FL.
62. Wright, A., Stepp, S.D. & **Hipwell, A.E.** (October, 2012). *The Development, Stability, and Dynamics of Borderline Personality Pathology and Functioning in Adolescent Women*. Paper presented at the Society for Research in Psychopathology meeting, Ann Arbor, MI.
63. Olino, T., Stepp, S., Keenan, K., Loeber, R. & **Hipwell, A.** (November, 2012). *Heterogeneity in depression and anxiety trajectories in adolescent girls: A parallel process growth mixture modeling investigation*. Association for Behavioral and Cognitive Therapies, National Harbor, MD.
64. **Hipwell, A.E.** & Guyer, A. (October, 2012). *Developmental progression of depression predicts impaired face emotion recognition in adolescent mothers*. Poster presented to the American Academy of Child and Adolescent Psychiatry meeting, San Francisco, CA.
65. McTigue, K., **Hipwell, A.E.**, Loeber, R., Moore, C., Cohen, E. & Kuller, L. (December, 2012). *Neighborhood features and weight development in white and African American girls*. Poster presented at the 'Health Across the Lifespan Allegheny County 2012' meeting sponsored by Graduate School of Public Health, University of Pittsburgh and department of Health, PA.
66. McTigue, K., **Hipwell, A.E.**, Loeber, R., Moore, C., Cohen, E. & Kuller, L. (December, 2012). *The development of youth-onset severe obesity in urban US girls*. Poster presented at the 'Health Across the Lifespan Allegheny County 2012' meeting sponsored by Graduate School of Public Health, University of Pittsburgh and department of Health, PA.
67. Pedersen, S., Stepp, S., **Hipwell, A.E.** & Chung, T. (January, 2013). *Differences in alcohol expectancies between African American and European American girls*. Poster presented to the National Multicultural Conference and Summit, Houston, TX.
68. Durand, V. A., Pask, E., Hughes, T., & **Hipwell, A.** (February, 2013). *Family and school connectedness associations with adolescent females' substance use*. Poster presented at the annual meeting of National Association of School Psychologists, Seattle, WA.
69. Akers, A. Roebuck, G., **Hipwell, A.** & Marshal, M. (March, 2013). *The relationship between adolescent weight and sexual behavior: A systematic review*. Poster to be presented to the Society for Adolescent Health and Medicine, Atlanta, GA.
70. Akers, A., Marshal, M. & **Hipwell, A.** (March, 2013). *Weight, gender and adolescent sexual risk-taking: Weight may be a protective factor for males but be associated with sexual risk-taking for females*. Poster to be presented to the Society for Adolescent Health and Medicine, Atlanta, GA.

71. McTigue, K., Cohen, E., **Hipwell, A.E.**, Moore, C., Loeber, R. & Kuller, L. (March, 2013). *Assessing bi-directional relationships between mentally healthy symptoms and BMI in urban girls*. Poster presented to the American Heart Association conference, Epidemiology and Prevention/Nutrition, physical activity and metabolism sessions. New Orleans, LA.
72. McTigue, K., Stepp, S., Cohen, E., **Hipwell, A.E.**, Moore, C., Loeber, R. & Kuller, L. (March, 2013). *The development of youth-onset severe obesity in urban US girls*. Poster presented to the American Heart Association conference, Epidemiology Council. New Orleans, LA.
73. Moses-Kolko, E., Almeida, J., Zevallos, C. & **Hipwell, A.E.** (April, 2013). *Neural activity to emotional faces and postpartum depression*. Symposium paper presented at the Annual Conference of the Anxiety Disorders Association of America, La Jolla, CA.
74. Guyer, A. E., Gelardi, K., Yadav, D., **Hipwell, A.**, Forbes, E. E., & Keenan, K. (April, 2013). *When attention turns to sadness: Emotional face processing in girls at risk for depression*. Symposium paper presented at the Annual Conference of the Anxiety Disorders Association of America, La Jolla, CA.
75. Forbes, E., Casement, M., Keenan, K., Guyer, A. & **Hipwell, A.E.** (April, 2013). *Girls' challenging social experiences in early adolescence predict neural response to reward at age 16*. Paper presented at the meeting of the Society for Research on Child Development, Seattle, WA.
76. Dermody, S., Marshal, M., Sucato, G., Stepp, S., Chung, T., Markovic, N. & **Hipwell, A.** (April, 2013). *Mental Health and Substance Use Disparities among Urban Adolescent Lesbian and Bisexual Girls*. Poster presented at the meeting of the Society for Research on Child Development, Seattle, WA.
77. De Genna, N., Chung, T. & **Hipwell, A.E.** (April, 2013). *A Longitudinal Study of Marijuana Use and Risky Sex in High-Risk Adolescent Girls*. Poster presented at the meeting of the Society for Research on Child Development, Seattle, WA.
78. Gillis, A., Gelardi, K., Forbes, E., **Hipwell, A.**, Keenan, K. & Guyer, A. (May, 2013). *The role of depression and conduct symptoms in how adolescent girls attend to sadness in faces*. Poster presented at the Annual Research Colloquium for Junior Investigators American Psychiatric Association, San Francisco, California.
79. **Hipwell, A.E.**, Battista, D. & Stepp, S. (May, 2013). *Developmentally specific predictors of repeat pregnancies in adolescent girls*. Poster presented at the Society for Prevention Research, San Francisco, CA.
80. Moses-Kolko, E., **Hipwell, A.**, Almeida, J., Zevallos, C., Stepp, S. & Phillips, M. (May, 2013). *Increased pregenual cingulate activity to sad faces at 4 mos postpartum predicts future depressive symptoms*. Paper presented at the Society of Biological Psychiatry, San Francisco, CA.
81. McAloon, R., Hoffmann, A., Musselman, S., Casement, M., **Hipwell, A.**, Guyer, A., Keenan, K., & Forbes, E. (May 2013) *Life stress and socioeconomic status predict adolescent neural response to reward*. Poster presented at the meeting of the American Psychological Society, Washington, DC.
82. Hoffmann, A., McAloon, R., Musselman, S., Casement, M., **Hipwell, A.**, Guyer, A., Keenan, K., & Forbes, E. (May, 2013). *Proximal life stress and personality are associated with altered reward processing in adolescent girls*. Poster presented at the meeting of the American Psychological Society, Washington, DC.
83. Chung, T, Pedersen, S, **Hipwell, A**, Stepp, S, Kim, K. (June 2013). *Race differences in neighborhood, parent, and peer influences on adolescent alcohol use: the Pittsburgh Girls Study*. Paper to be presented as part of a symposium (chair: Dr Carolyn Sartor) to Research Society on Alcoholism.
84. Molina, B., **Hipwell, A.E.** & Chung, T. (June, 2013). *Trajectories of ADHD symptoms in girls and their relations with substance use*. Poster to be presented at the International Society for Research in Child and Adolescent Psychopathology, Leuven, Belgium.
85. Keenan, K., **Hipwell, A.**, Babinski, D., Bortner, J., Henneberger, A., Hinze, A., Klostermann, S., Rischall, M. & Sapotichne, B. (June, 2013). *Examining the developmental interface of cortisol and depression symptoms in young adolescent girls*. Poster to be presented at the International Society for Research in Child and Adolescent Psychopathology, Leuven, Belgium.
86. Moses-Kolko, E., Almeida, J., Zevallos, C. & **Hipwell, A.E.** (July 2013). *Interrelationships among postpartum mood, neural responses to emotional stimuli, and maternal caregiving*. Paper to be presented at the 5th meeting of Parental Brain, Regensburg, Germany.

87. Chung, T., Pedersen, S., Kim, K., **Hipwell, A.E.** & Stepp, S.D. (August, 2013). *Differences in alcohol beverage type by race: Implications for prevention*. Paper to be presented at the American Psychological Association, Honolulu, Hawaii.
88. Romens, S., Keenan, K., **Hipwell, A.**, Guyer, A., Forbes, E. (September, 2013). Girls' exposure to poverty in childhood predicts neural response to reward in adolescence. Poster presented at the *Twenty Seventh Annual Meeting of the Society for Research in Psychopathology*, San Francisco, California.
89. Moses-Kolko, E.L., Fraser, D., Forbes, E., Zavallos, C., Phillips, M. & **Hipwell, A.E.** (November, 2013). *Relationships among perinatal and childhood/adolescent affective symptoms and neural responses to monetary reward*. Perinatal Mental Health: Optimizing maternal treatment to improve infant outcomes, Chicago, IL.
90. Gelardi, K., Lee, C., **Hipwell, A.**, Forbes, E., Keenan, K. & Guyer, A. (March, 2014). *History of depressive symptoms predicts risk-taking behavior in adolescent girls*. Paper submitted for the Society for Research on Adolescence. Austin, TX.
91. Chung, T., Pedersen, S., **Hipwell, A.**, Stepp, S., Kim, K., Blaze, T., Cynn, P., Shaw, R., & Morrison-Ketter, S. (May, 2014). *Differences by race in parent, peer and neighborhood influences on alcohol use trajectories in the Pittsburgh Girls Study*. Life History Research Society biennial meeting, Pittsburgh, PA.
92. Pardini, D., **Hipwell, A.**, Gazda, R. & Xiong, S. (May, 2014). *Does cannabis use negatively impact cognitive functioning across adolescence? Providing a more stringent test of a potential causal link*. Life History Research Society biennial meeting, Pittsburgh, PA.
93. Scott, L., Stepp, S., Pilkonis, P. & **Hipwell, A.E.** (May, 2014). *Borderline personality features and relational aggression in adolescence: Mediating role of rejection sensitivity and affective instability*. Life History Research Society biennial meeting, Pittsburgh, PA.
94. Beeney J., Paul E., **Hipwell, A.E.**, Keenan, K. & Stepp, S.D. (May, 2014). *Childhood Pain Sensitivity Mediates the Prospective Relationship between Harsh Punishment and Borderline Personality Disorder in Adolescence*. Life History Research Society biennial meeting, Pittsburgh, PA.

Other Invited Presentations Related to Research

1. **Hipwell, A.E.** Loeber, R., Stouthamer-Loeber, M., Keenan, K. & Raskin White, H. (Oct. 2002). *The Pittsburgh Girls Study*. Presented to faculty and students in the Department of Psychology, University of York, Toronto, Canada.
2. **Hipwell, A.E.** Loeber, R., Stouthamer-Loeber, M., Keenan, K. & Raskin White, H. (Nov. 2002). *Characteristics of Girls with Early Onset Disruptive/Antisocial Behavior*. Presented to faculty and students in the Psychology Department, University of Pittsburgh.
3. **Hipwell, A.E.** & Stouthamer-Loeber, M. (2003). *Preliminary findings from the Pittsburgh Girls Study*. Presented to members of the Women's Foundations of Pittsburgh, Pittsburgh Child Guidance Foundation, Pittsburgh
4. **Hipwell, A.E.** et al (July 2004). *Cognitive Vulnerability to Postnatal Depressive Symptomatology*. Presented to faculty and students in the Women's Behavioral Mental Health Group, University of Pittsburgh.
5. Loeber, R. & **Hipwell, A.E.** (August 2004). *Women's positive mental health and girls' healthy start*. Presented to community health workers and university faculty at the Community Behavioral Health offices, Pittsburgh.
6. **Hipwell, A.E.**, & Sembower, M. (February 2005). *Multilevel Analysis of Neighborhood Effects on girls Behavioral and Emotional Problems*. Presented to faculty and students as part of the Multivariate, Longitudinal Statistics Forum, Section of Life History Studies, Department of Psychiatry, University of Pittsburgh.
7. **Hipwell, A.E.** & Loeber, R. (2005). *Girls growing up in Pittsburgh*. Presented to members of the Women's Foundations of Pittsburgh, Jewish Women's Foundation of Greater Pittsburgh, McKee Place.
8. **Hipwell, A.** (November 2005). *Callous-unemotional behavior in a population sample of young girls*. Presented to faculty and students as part of the Psychiatric Epidemiology and Alcohol Research Seminar Series. University of Pittsburgh.
9. **Hipwell, A.** (March 2006). *Stress reactivity and somatic complaints among young adolescent girls*. Presented to faculty and students, Western Psychiatric Institute & Clinic, University of Pittsburgh Medical Center.

10. **Hipwell, A.E.** (Oct. 2006). *Girls, Puberty and Mental Health Problems: Who is at risk?* Presented to faculty, community health professionals and students in the 'Depression Care for Women across the Life-Span' national meeting, Leading Education Awareness for Depression, and University of Pittsburgh Medical Center, Pittsburgh, PA
11. **Hipwell, A.E.** (May 2007). *New insights into girls' conduct problems: Contextual and familial risks and implications for the next generation.* Presented to psychiatry faculty, residents and students as part of the Department of Psychiatry's 2006-2007 Young Investigator Series, University of Pittsburgh Medical Center.
12. **Hipwell, A.E.** (February 2009). *Emerging violence among girls in Pittsburgh.* Presented to the Girls' Coalition and United Way Community Initiatives and Partnerships, Adagio Health, Pittsburgh.
13. **Hipwell, A.E.** (October, 2009). *Girls as perpetrators of violence: A local perspective* Greater Pittsburgh Week Without Violence, YWCA, Pittsburgh.
14. **Hipwell, A.E.** (April 2011). *Childhood predictors of sexual risk-taking, postpartum mood disorders and parenting quality: Findings from the Pittsburgh Girls Study.* Research Seminar in Reproductive, Perinatal, and Pediatric Epidemiology (EPIDEM 2721), University of Pittsburgh.
15. **Hipwell, A.E.** (April 2011). *Emergent alcohol use in adolescent girls: cognitions, conduct problems and consequences* Research Seminar for pre-doctoral students and post doctoral Fellows in the Psychiatric Epidemiology and Alcohol Research Training programs, jointly sponsored by the Departments of Psychiatry, SOM, and Epidemiology, GSPH, University of Pittsburgh.
16. **Hipwell, A.E.** (May, 2011). *What do pre-pregnancy characteristics tell us about the early caregiving of teenage mothers? Results from a 10 year prospective study.* Perinatal Psychiatry in the 21st Century: The Legacy of Channi Kumar, Institute of Psychiatry, Kings College London, UK.
17. **Hipwell, A.E.** (September, 2012). *Adolescent Sexual Behavior and Teen Pregnancy: A discussion of findings from the Pittsburgh Girls Study.* Community forum organized by FISA and Heinz Endowments. Hill House, Pittsburgh.
18. **Hipwell, A.E.** & Keenan, K. (Oct 2012). *Childhood predictors of postpartum psychopathology and caregiving quality among teenage mothers.* Invited paper for the International Biennial Congress of the Marcé Society, Paris, France.
19. **Hipwell, A.E.** (December, 2012). *A developmental perspective on pregnancy and postpartum psychopathology in teenagers.* Research seminar at the Magee-Womens Research Institute, Pittsburgh.

b) Research Grants

2003 - present	WPIC Research Committee
2008	Peer reviewer, Grant submitted for funding to Economic Social Research Council (ESRC), UK
2012	Peer reviewer, Grant submitted for funding to Health Research Council (HRC) of New Zealand

c) Manuals/books

2004	Invited expert reviewer, Clinical Manual: Early Assessment Risk List for Girls (EARL 21G), Earls court Child & Family Centre, Toronto
------	--

LIST OF CURRENT RESEARCH INTERESTS:

Prediction of postpartum mood disorders and parenting in teenage mothers.
 Risk for developmental psychopathology in the context of parental mental health disorders and family adversity.
 Antenatal and postnatal psychological disorders (depression and psychoses): mechanisms, causal factors and developmental consequences for the child.
 Developmental predictors of sexual risk-taking
 Precursors to conduct disorder, depression in girls.
 Development of naturalistic, observational assessments.

SERVICE:

University and Medical School

2003 – present Member, Department of Psychiatry Junior Female Faculty Network.

- 2006 – present Invited Affiliate, Pittsburgh Mind-Body Center, University of Pittsburgh and Carnegie Mellon University.
- 2006 - 2007 Member, Selection Committee, Doctoral Program in Clinical/Developmental Psychology, Department of Psychology, University of Pittsburgh.
- 2007 – present Directed research supervisor, Department of Psychology, University of Pittsburgh
- 2008 – present Faculty Member, ‘Clinical Research Training for Psychologists’ T32 Training Grant (MH018269-27, Directors: Paul Pilkonis & Marsha Marcus)
- 2009 – present Affiliated Faculty/Research Preceptor, Psychology Internship Training Program (Director: Jill Cyranowski, Co-Director: & Melissa Kalarchian), Department of Psychiatry, University of Pittsburgh
- 2011 – present Faculty member, ‘The Interdisciplinary Alcohol Research Training’ NIAAA T32 training grant (Director: Marie Cornelius)
- 2011-2015 Member, Academic Promotion and Tenure Committee, Department of Psychiatry, University of Pittsburgh.
- 2011 Core Faculty Member, 2012/2013 Interview Committee, WPIC Residency Training (Director: Michael Travis, MD).
- 2012 Member, Task Force on Perinatal Mental Health, Department of Psychiatry, University of Pittsburgh
- 2013 Invited Faculty Mentor, ‘Translational research in Adolescent Health and Development Post-doctoral Training Program’ T32 training grant, resubmitted to NICHD (Director: Elizabeth Miller).
- 2013 Invited Faculty Mentor, ‘Medical Student Mentoring Networks in Lifespan Mental Health Research’ R25 Mental Health Education grant, submitted to NIMH (Director: Gretchen Haas).

Other University Committee Service

- 1995 - 1996 Elected Member, Official Fellowship Committee, Clare Hall, University of Cambridge, U.K.
- 1995 - 1996 Member, Visiting Fellow Selection Committee, Clare Hall, Cambridge University, UK
- 1996 Member, Clare Hall Tanner Lecture Committee intended to ‘advance and reflect upon the scholarly and scientific learning related to human values’.
- 2000 - 2001 Member, ClinPsyD Selection Committee, Division of Clinical Psychology, School of Medicine, University of East Anglia, Norwich, UK
- 2007 Invited PrevNet ‘Think Tank’ Member, Community Health Systems Resource Group, Hospital for Sick Kids, Toronto, Canada.
- 2007-2008 Section Chair, Gender & Juvenile Justice, ASC Program Committee
- 2010 Member of a thematic program subcommittee for 18th Annual Meeting of the Society Prevention Research, ‘Cells to Society: Prevention at All Levels’ Denver, CO.
- 2010 – present Member of the Data and Safety Monitoring Board, ‘Biobehavioral Assessment of Stress in Adolescent Pregnancy: Perinatal Outcomes’, PI: Catherine Monk, Columbia University Medical Center, NY.
- 2010 – 2012 Internationally elected member of the Executive Committee of the Marcé International Society for Psychiatric Disorders in Childbearing

Conference Organizing

- Description *‘Trainee Master-class: Clinical Practice, formulations and approaches’*: a one-day conference contrasting different theoretical perspectives to clinical formulation and discussion of a case study, supported by the Division of Clinical Psychology Affiliates, British Psychological Society.

Role	Publicity Officer and Select Committee member involved in the planning and implementation of the first annual meeting
Attendees	150-200 ClinPsyD students from UK and Ireland
Year	1999
Where	Midland Arts Center, Birmingham, UK
Description	<i>'Life History Research Society'</i> meeting: a three-day conference that is held every 18 months attended by investigators involved in longitudinal research
Role	Invited to co-host the 3-day meeting (with Dr Jeff Burke)
Attendees	Anticipating 100 national and international delegates
Year	2014
Where	University of Pittsburgh

CONTINUING PROFESSIONAL DEVELOPMENT

Courses and Specialist Training

1992	Regensburg University, Germany	Karin Grossmann PhD, Training and accreditation in Strange Situation attachment scoring (A,B,C classifications)
1993	Tavistock Institute, University College London, UK	Izzie Kolvin, MD, Training and accreditation in Child Psychiatric Diagnosis (KIDDIE-SADS)
1995	Leiden University, The Netherlands	Mary Main, PhD, & Eric Hesse, PhD, Training and accreditation in Strange Situation attachment Scoring (D classification)
2003	University of Pittsburgh Temple University, Philadelphia	Dan Nagin, PhD, Statistics: Trajectory Analysis Paul Allison, PhD, Statistics: Survival Analysis
2006	Inter-University Consortium for Political and Social Research (ICPSR), University of Massachusetts, Amherst	Aline Sayer, PhD, Statistics: Hierarchical Linear Modeling
2006	ICPSR, University of Michigan	Ken Bollen, PhD., Statistics: Structural Equation Modeling
2007	Temple University, Philadelphia	Paul Allison, PhD, Statistics: Handling Missing Data
2007	Pittsburgh Mind-Body Center & Center for Interdisciplinary Research on Teams, Carnegie Mellon University	Don Hedeker, PhD, Statistics: Analysis of Multilevel and Longitudinal Data
2007	Society for Prevention Research Pre-Conference	Craig Enders, PhD., Multilevel Modeling

workshop, Washington, DC.

2009 Pittsburgh Mind-Body Center

Don Hedeker, PhD, Statistics: Mixed Models for Ecological Momentary Assessment (EMA) Data: An Applied Introduction

Professional Development Workshops Attended

2002	Jan	University of Pittsburgh, Human Resources	'Management of Problem Staff'
	Apr	University of Pittsburgh, Human Resources	'Motivating Staff'
	Dec	University of Pittsburgh, Human Resources	'Everyday Creativity'
	Dec	University of Pittsburgh, Human Resources	'The Three-dimensional leader'
2003	Jan	University of Pittsburgh, Human Resources	'Managing performance'
	Mar	University of Pittsburgh, Human Resources	'Interviewing and hiring'
	Mar	Survival Skills and Ethics Program	'Moving towards tenure'
	Mar	UPMC, Human Resources	'101 Training'
	May	Child Development Centre	'Running Focus Groups'
	May	Office of Academic Career Development	'Time management and productivity'
	June	WPIC Faculty Development	'Navigating the maze of academic promotion'
2004	Jan	WPIC Faculty Development	'Women's negotiation skills'
	Mar	Office of Academic Career Development	'Know Your K'
	Dec	Office of Academic Career Development	'Maximizing your effectiveness as a Mentor'
2005	Jan	Institutional Review Board	'Expedited and exempt review workshop'
	Feb	Institutional Review Board	'Research with Human Subjects' audio conference
	Mar	Office of Academic Career Development	'Equipping yourself for success in the tenure stream'
2006	Mar	Office of Academic Career Development	'Building and leading successful teams'
	Apr	Career Development Institute for Psychiatry	'Assessing clinical importance: Use of Receiver Operating Characteristic Curve (ROC) Analysis'
	Apr	Career Development Institute for Psychiatry	'Effect sizes: RCTs and risk research'
	June	University of Pittsburgh, Learning solutions	Microsoft Excel - Levels 1 and 2
	July	Pittsburgh Mind-Body Center	'Ecological Momentary Assessment (EMA) workshop
	Dec	Pittsburgh Mind-Body Center	'Short course on Sleep'
2007	Jan	Health Sciences Library	'EndNote basics'
	Apr	Office of Academic Career Development	'Diversifying your funding portfolio: Grant resources on the web'
	May	Office of Academic Career Development	'The Perils of Girl Talk: How to Survive in a Man's World'
	Sept	Center for Instructional Development and Distance Education & WPIC	'How to structure an effective lecture'
	Sept	Center for Instructional Development and Distance Education & WPIC	'Interactive Teaching and Learning'

	Oct	Office of Academic Career Development	'Reviewing manuscripts: Why, when and how?'
	Nov	Academic Promotions Committee, WPIC	'Career Advancements in Psychiatry 101'
2008	Mar	Office of Academic Career Development	'Preparing for critical changes in Scholarly Publishing: How will public access impact you?'
2011	Nov	Office of Academic Career Development	'Personnel Management for Principal Investigators'
